

# DIGGING DEEPER

Hebrews 1v1-4 – The Supreme Son

**PLEASE READ** – Hebrews 1v1-4

## GETTING STARTED

Read Hebrews 12v1-3. Focus on v3 and discuss the author's reason for writing...

Why then does the author spend the majority of his time **comparing Jesus** with...  
Angels (Ch 1-2) / Moses (Ch 3-4) / Priests (Ch 5-7) / Sacrifices (Ch 8-10)

## 1) JESUS – THE FULL REVELATION OF GOD

Have a look at the table below which draws out the contrast in v1-2. What is the author trying to tell us?

<b>V1</b>	<b>V2</b>
In the past	In these last days
God spoke	God has spoken
To our ancestors	To us
Through the prophets	By his Son
At many times in various ways	

What else do we learn about Jesus in v1-3a?

## 2) JESUS – THE FINISHED WORK OF GOD

Jesus does 2 things in v3b. What are they and why are they in that order? See also Ch10v11-12...

What's going on in v4? See also Ch 2v9 (more on the angels next week!)

Have a go at answering / role playing the 2 scenarios below...

*If you were chatting to someone who said that God has revealed something new about his character that was previously unknown – how would you respond from what you've seen in this passage?*

*If you were chatting to someone who was exploring new ways of being right with God that bypass Jesus – how would you respond from what you've seen in this passage?*

**Meditate on the words of Jesus...**

**V3:** After he had provided purification for sins, he sat down at the right hand of the Majesty in heaven.
