Hebrews 1v5 – 2v4 – Don't Drift

**PLEASE READ** – Hebrews 1v1- 2v4

## **GETTING STARTED**

Chat about the danger of spiritual drift in the Christian life...

What is the antidote to spiritual drift? (See chapter 2v1 and think about the main message of Hebrews)

### **1) A GREATER NAME (v4-6)**

How does the author compare Jesus with the angels in v4-5?

What does v6 add to the argument?

### **2) A GREATER ROLE (v7-12)**

In v7-12 we learn that the angels came to serve, and the Son came to rule – what is the rule of Jesus like? (see also Hebrews 13v8)

Why are these such precious words for a weary and persecuted church?

### **3) A GREATER GLORY (v13-14)**

Talk about the reference to Psalm 110 in v13 – what is it referring to?

### **4) A GREATER PLEA (2v1-4)**

What is the message spoken through angels that is binding (v2)? See also Acts 7v38 and Galatians 3v19...

How does that add greater seriousness to the warning in v3?

What do you think it looks like to plead with each other, as the author does in v1?

If you've got time, reflect on the lovely words of assurance below...

**Meditate on the words of Hebrews...**

**6v19:** We have this hope as an anchor for the soul, firm and secure.
